CONSTRUCTION TECHNOLOGY

ELECTRIC WALL SAWS FOR UNIVERSAL APPLICATIONS AND EVERYDAY USE ON THE CONSTRUCTION SITE

LWSE 800

- Both installation and dislocation are realized in a glimpse
- Integrated design with only one cable and one hose
- Combined with the perfected electronic feed control the power of the extremely compact motor delivers an unmatched cutting performance within the 16A range
- Optimized system-specific blade guard and light tracks
- Handy radio remote control

LWSE 1200

- The pioneering drive concept enables the combination of extreme reliability and optimum performance with low service requirements and reduced service costs
- 4 application options by means of an expandable system: wall sawing/wire sawing/circular wire sawing/drilling
- Simple assembly and disassembly due to lightweight and compact system components
- Innovative, powerful and low-maintenance electric motor without transmission
- Optimised remote control for greater mobility and increased safety
- Lightweight control unit enables use in the 16 and 32 A range
